December 3, 1947

Dear Allen:

Your letter of November 12, 1947 was brought to my attention today.

Our records show that we have given Teller a green light in the Gisevius case, subject, of course, to the latter's discretionary authority to withhold his own decision until any pending litigation is cleared away. We have not received the report you were informed by Gisevius that Teller was sending.

Sincerely yours,

Robert C. Alexander
Assistant Chief, Visa Division
